MARVILLE

NEW ZAYED

YOUR LIFE, REDESIGNED

Overview

Mar Ville is a meticulously designed project that emerges as a harmonious symphony of architecture and the lush tapestry of the outdoors. An idyllic haven located in one of the most coveted locations in west Cairo, where tranquility and privacy coalesce in a masterpiece of design, nestled within a vast greenery, inviting you to experience a life of serenity and elegance.

Mar Ville is thoughtfully divided into numerous zones for ultimate privacy, each designed to foster a sense of personal sanctuary. Each residence provides a retreat from the outside world, where your dreams and inspirations are free to flourish.

Maville grants you an opportunity to experience a dwelling of privacy, scenic splendor, and magnificent architecture, where every day is a masterpiece in the making.

Location

Introducing Mar ville: Your destination to ideal living in West Cairo

Nestled in the heart of West Cairo, Mar ville epitomizes modern living, convenience, and accessibility. The project offers an unparalleled blend of comfort, elegance, and proximity to key landmarks, making it the perfect place to call home.

Prime Location:

Mar ville enjoys a strategic location that is truly unbeatable. Situated in the western side of the capital, it is in close proximity to several essential landmarks that cater to your everyday needs. Whether you're seeking top-notch education, world-class healthcare, or simply the best shopping and entertainment experiences, you'll find it all just a stone's throw away. Some of the remarkable landmarks nearby include Sphinx Airport (3 minutes), Smart Village (7 minutes), Arkan Plaza (12 minutes), Grand Egyptian Museum (15 minutes) and Mohandessin (25 minutes).

Master plan

As you step through the beautiful walkways, the landscape unfurls before you, a sublime 80% of the entire 111 feddans expanse dedicated to gardens, greenery, water features and open spaces. The sun-dappled meadows beckon, offering a place to unwind and connect with the Earth's rhythm.

Every vantage point reveals a breathtaking vista, overlooking the serene, azure winding path of the 1.8 kilometers long crystalline water lagoon. This is a place where the wonders of the natural world coexist seamlessly with the wonders of architectural achievement.

A canvas of spectacular architecture paints the horizon, an awe-inspiring testament to human creativity. The structures are a harmonious blend of modern innovation and timeless aesthetics, their lines and angles echoing the surrounding beauty. Towering windows frame nature's artwork, allowing every resident to revel in the ever-changing kaleidoscope of colors, as the sun rises and sets over this masterpiece of a residence.

Designed by an international consultant to provide the ultimate living experience, the zones within the project are set to create smaller, fully integrated clusters within the bigger concept of the project. Impeccably planned vehicular roads that scarcely intersect with pedestrian walkways provide perpetual smooth traffic, as well as seclude the living and leisure quarters from the street clamor, providing both safety and peace.

That's why we take great pride in offering a range of residential unit types that cater to the diverse needs of our clients. Our project is designed to provide the perfect home for families of all sizes and space requirements. Whether you're looking for a convenient and stylish urban pad, or in need of extra rooms and open spaces. our project has the ideal living solution for you.

Interior

The interior of the residential apartments embodies a modern, minimalist aesthetic that seamlessly incorporates natural elements to harmonize with the surrounding environment.

Clean Lines and Simplicity

The design of the interior spaces is characterized by clean, straight lines and a sense of simplicity. The architectural elements maintain a streamlined and uncluttered appearance, contributing to a sense of modern elegance.

Abundance of Natural Light

The use of large, floor-to-ceiling windows with expansive glass facades plays a pivotal role in flooding the interior with an abundance of natural light. This not only reduces the need for artificial lighting but also creates a strong connection to the outdoors and full, unobstructed access to the breath-taking views.

Open Layout

The layout of the residential units emphasizes an open concept design. Common areas like the living room, dining room, and kitchen seamlessly flow into one another, creating a spacious and airy feel. The absence of unnecessary walls enhances the sense of openness.

Natural Wooden Elements

Throughout the interior, natural wooden elements are tastefully integrated. The warm and organic quality of wood provides a beautiful contrast to the sleek, modern design and adds a touch of coziness.

Branded Apartments

Our luxury branded apartments redefine the concept of upscale urban living, offering an unparalleled blend of comfort, convenience, and sophistication. These exclusive accommodations are meticulously designed to cater to the needs of both short-term and long-term residents.
